Dear CatholicLink Leadership:

I am very excited about the CatholicLink Center for Education and Innovation, as it fits well with our new strategic plan for Catholic schools. Our plan calls for new ways of thinking and implementing change; partnerships with colleges, universities, and corporations; a focus on developing and mentoring school leaders and teachers; and academic and operational excellence. The objectives are aligned toward a vision of increased enrollment in our schools, and more missionary disciples in our parishes and communities. The work will be hard, but if we come together, Nothing is Impossible with God.”

May God bless you abundantly, as I remain

Sincerely yours in Christ,

The Most Reverend David L. Ricken, DD, JCL  
Bishop of Green Bay
